Sir,

Subject — Acquisition of S.Nos. 359/1,359/2,360/1,360/2,360/3, and 361/ of Tiptur kasaba for the town extension of Tiptur Municipality.

--00--

With reference to the above, I have the honor to state that Government in their Order No.L. 5693-4/M.E. 21-28-38 dated 21st February 1929 sanctioned the acquisition and appointed this Assistant Commissioner in charge of the Gubbi Sub Division to - perform the functions of a Deputy Commissioner under the Land - Acquisition Regulation. In his report No.L.A.C. 11/28-29 dated 30-12-30, the Land Acquisition Officer reported that only awards had been passed in all these cases except as regards S.No. 360/3 that the compensation amount had not been paid and that the lands had not thus been put in possession of the Municipality. On 27-11-30 the Municipal Council had resolved that the acquisition of these lands is not necessary and the President accordingly requested the Land Acquisition Officer to take action to cancel the acquisition of these properties. On a reference to this effect from the Land Acquisition Officer, the then Deputy Commissioner Mr.H.V.Ramaswami and thereafter his successor Mr.N. Sundararaja Iyengar, after - personal inspection of the lands in question brought to the notice of the President, Tiptur Municipality, the necessity of acquiring the lands in the interest of the poorer class of people who were living in huts put up on the land. The undersigned also invited the reference of the President to the fact that the acquisition of the lands was got sanctioned at the instance of the Municipality, Mr being a congested town especially towards the side

side where these lands were proposed to be acquired, it seem quite necessary ~~for~~ from point of view of health and sanitation to settle people in this locality, and suggested to the President the absolute necessity for acquiring this land in the interest of the poorer classes of people. Further the President was also requested to report if any taxes were being recovered from persons who were living in huts put up on the survey numbers. The President intimated as on previous references, that the finances of the - Municipality would not admit of this expenditure being incurred, as a pretty large sum had been spent over the water supply scheme and requested that the acquisition may be got cancelled. It is reported that mohatarfa tax is being recovered from persons who have put up sheds though these are agricultural lands.

2 In the meanwhile the Land Acquisition Officer was requested to intimate if any further action had been taken in the matter, whereupon he reported in his No. 27/32-33 dated 8-11-33 (copy enclosed) that the land had already been purchased in small plots and that huts had been constructed by the persons for whom this land was intended to be acquired &c.. Under the circumstances, I request that sanction of Government may kindly be obtained re. withdrawal of these cases from acquisition. Separate action will be taken for the alienation of these lands for building purposes after recovering the necessary conversion fine.

The resolution of the Municipal Council dated 23-10-33 accompanies.

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,

Letter No.27/32-33 dated 8-11-33 from the Assistant Commissioner, Gubbi Sub Dn., to the Deputy Commissioner, Tumkur District.

Adverting to your Memo No.A3.C. 1136/31-32 dated the 11th February 1933 forwarding for further action a copy of your letter to the Municipal President of Tiptur Town in the matter of meeting the cost of acquiring S.Nos. 359/1,359/2,360/1,360/2,360/3 and 361 of Tiptur kasaba, sanction in G.O. No.L. 5695/M1. 21-28-29 dated 21st February 1929, I have the honor to state that the Municipal council plead their inability to meet this expenditure as they have already expended large sums on bore-wells and on laying out water pipes in the town.

On a further considration of the matter and discussion with the Municipal President and inspection of the spot it was found that the land in question for which acquisition proceedings have been taken has been purchased in small plots by the persons for whom this land was intended to be acquired and they have already constructed thatched roofed houses thereon. There is thus no - necessity for spending any money by the Municipality and all that is now needed is appropriation of this land for building purposes for which these persons will be required to pay 25 years assessment and a special fine. The Municipality has undertaken to add this area to the Municipal town, in which case, no compensation will be required to be paid by the Municipality and the poor persons who are now occupying these small plots will not be ousted out. A copy of my letter No.Ex. 27/32-33 dated the 2nd August 1933 to the - Municipal President in this respect was submitted to you on the 12th August 1933.

The Municipal Council of Tiptur have all along been contemplating the withdrawal from the acquisition of these properties. They have now resolved in their meeting held on the 22nd October 1933 that the acquisition of these properties may be withdrawn and that sanction of the appropriation of these lands for non-agricultural purposes may be obtained. A copy of letter No. 213/1 of 33-34 dated the 22-10-33 from the Municipal President together with an extract

extract of the Municipal Council, is enclosed for kind perusal.

In these circumstances stated above, I have the honor to recommend that sanction of Government may kindly be obtained to the proposal of the Municipal Council regarding the withdrawal of these cases from acquisition. On receipt of Government sanction, proposals about the alienation of these properties will be submitted. The connected acquisition files of records accompany.
